MEMORANDUM FOR: Chairman  
Senior Interagency Group (Intelligence)

FROM: Executive Secretary, SIG(I)

SUBJECT: SIG(I) Coordination of National Intelligence Topics

*John*

1. This memorandum is to certify that the SIG(I) has as of noon,  
1 October 1985, coordinated:

- The Intelligence Producers Council's report on FY 1985 National Intelligence Topics' Intelligence Production;
- The National Intelligence Topics for FY 1986; and
- The Schedule of National Intelligence Topics' Activities during FY 1986.

2. The SIG(I) principals from the Departments of State and Energy had minor changes to recommend, and these were conveyed to the IPC Staff. In addition, the Treasury Department wished to register that, given the large number of NIT topics and sub-topics, the overall document would be considerably more valuable if these topics and sub-topics were assigned priorities.
